We are excited to unveil the new Suncoast Jewish Alliance logo and look forward to launching our new website in the coming weeks.

A heartfelt thank you to Meybis Paz, owner of Paz Creative Marketing, whose creativity and expertise brought this vision to life. We are also deeply grateful to Board Member Lisa Barzel for spearheading this project, and to Norman Olshansky, President; Julie Friedman, Vice President; and Natasha Reisner, Board Member, for their dedication to training, testing, and implementation.

Much of this work took place behind the scenes, and we sincerely appreciate everyone's time, collaboration, and commitment to creating a more engaging, welcoming, and accessible online presence for our community. We can't wait to share it with you. Stay tuned—the launch is just around the corner!

Don't Let the Postal Service Refuse to Deliver Your Mail-in Ballot!

SPEAK UP NOW!

**Comment Period Ends July 2nd
at 5 pm ET**

The US Postal Service has proposed a new rule that would allow USPS to control who can receive and return a vote by mail ballot.

If implemented, eligible American citizens will be blocked from participating in our elections.

The League believes this proposed Rule conflicts with federal law and the U.S. Constitution, as well as with USPS's own mandates.

THIS PROPOSED RULE COULD:

Prevent eligible voters from having their mail-in ballots delivered or returned.

Violate federal law, the U.S. Constitution, and USPS's own mandates.

Undermine our right to vote and the integrity of our elections.

YOUR VOICE MATTERS.

By submitting a comment, you're standing up for your right to vote and protecting our democracy.
